April Class Specials:

Advance Specialty Class:

Signup for any specialty class in April or May & receive 20% off any gear required for that class.
This is for any SDI class we offer.

Solo Diver Class: \$250.00 plus workbooks

One of SDI's most popular courses, the solo diver program teaches experienced recreational divers how to safely dive independently of a dive buddy or strengthen your buddy team skills. The course stresses on proper dive planning, personal limitations, accident prevention as well as the benefits, hazards, and proper procedures for diving solo. You will also learn the additional equipment that is required for solo diving including it's proper usage and assembly. This is the perfect course for underwater photography and underwater video divers.

Winter Dive trip

We will be vacationing this winter on the islands of Turks & Caicos. Trip cost start at \$850.00. See link below for more info.
