Put in Bay with BAD.  
call me for details

### June 16th 2013

Put in Bay with BAD.  
call me for details

## June 2013 Newsletter

---

In April I again started to put a newsletter together. For me this is a very time consuming process. I'm using a newsletter design called Mail Chimp. This helps me to track how many e-mails are opened and if anyone is actually following through on some of the resources included within the newsletter. To date I'm not happy with the results. The results I'm receiving back on how many actual newsletters are opens is less then 1/2 of all members on my e-mail list, with actual clicks on information within the newsletter very low. I'm thinking about just giving up on the newsletter. PLEASE give me some feed back on if you would like to keep receiving the Sea Level Scuba Newsletter.

### June Class Specials:

#### **\$150.00 Night diver specialty class:**

For June I'm running a special price for the Night diver specialty class: Normal cost is \$155.00 plus the cost for the manual (\$30.00). For June only The cost of the class will be \$150.00 including the manual. I will give any students who sign up for the class a 15% discount on any gear they need to do this class. Limited to 3 students. Requires two dives these will be done on June 29th at Whitestar quarry. We will meet at 7:00pm. Classroom will be scheduled at the diveshop before June 29th. I'm flexible on dates and times for the classroom.

#### **\$300.00 Advanced Open Water & Nitrox:**

For June I'm running a very special price for the Advanced Open Water Diver: I'm going to include the Computer Nitrox class with this special. AOW class runs \$285.00 plus workbook and Computer Nitrox runs \$100.00 plus workbook. For June only I will offer the two classes for the unheard of price of \$300.00 including two workbooks, the use of a nitrox computer on the nitrox dive and one cylinder of 32% nitrox for the nitrox dive. Upon completion of this special offer you will receive two certification cards, one for the AOW and one for nitrox. The normal cost for these two classes with workbooks, nitrox cylinder and rental of nitrox computer would be \$480.00 plus tax. Schedule for this class will be: June 29th meet at Whitestar quarry at 3:00pm. Dive one Navigation at 4:00pm, dive two nitrox/navigation at 6:00pm, and dive three Night at 9:00pm. On June 30th we will meet at Gilboa quarry at 9:00am.
