Nov 3rd Dive
Whitestar quarry:
Meet at 9:00 am

Happy Halloween to all. The above picture was taken on October 27th at the BGSU MBA pumpkin carving contest. I hosted this event and offered to take some pictures. The pumpkin above was carved by Dale Allen. While I do not know if this pumpkin was the winner I liked the idea of the light inside so I thought I would share it. This was the MBA's first pumpkin carving contest. There were seven that came out with 6 actually carving. After the carving was done I lead five of them on a nice tour of the quarry. It was a very nice day.
